Membership Product Description

PENNYGRADE | RAZORPAY MERCHANT READINESS PREPARATION

DRAFT - Internal preparation document. Not proof of approval, registration, signed partnership, issued card, or customer transaction.

Product

PennyGrade Six-Month Physical Membership Card. Current stated price: INR 500. Current stated validity: 180 days. Current checkout includes one physical card and local delivery in Daltonganj, Jharkhand.

What payment buys

A personal membership record, a physical identifier after verified payment and stock assignment, access to public partner discovery, server-side membership verification, and the benefit terms displayed for currently active participating partners.

Payment and partner bills

PennyGrade collects only its own membership fee in the checkout flow. Members pay each partner directly for purchases at that business. No partner subscription, commission, pooled bill collection or settlement is represented here.

Availability condition

The application now checks database card inventory before creating a payment order. Purchase should remain unavailable if stock cannot be confirmed or is zero. Card allocation and membership activation occur only after payment verification.

Before external submission: verify every stated fact against current operations and business records. Razorpay and qualified legal/tax advisers make their own determinations.
