Shipping and Delivery Policy

PENNYGRADE | RAZORPAY MERCHANT READINESS PREPARATION

DRAFT - Internal preparation document. Not proof of approval, registration, signed partnership, issued card, or customer transaction.

Coverage and charge

Current checkout accepts Daltonganj, Jharkhand addresses and shows free shipping. Do not promise service outside the supported area or charge an unshown delivery fee.

Timing

The website does not currently promise a fixed processing or delivery timeframe. Before accepting payment, operations should provide a realistic estimate at checkout or to the customer. An estimate should be identified as such.

Tracking and failures

Use the order tracking page after dispatch data is recorded. For a missed delivery, verify the address and provider status and coordinate a reattempt/return handling with the customer. Confirm any additional delivery charge before incurring it.

Damage

Ask the customer to report a physically defective/unreadable card within seven days with order reference and evidence; review and arrange a replacement where confirmed, subject to applicable consumer rights.

Before external submission: verify every stated fact against current operations and business records. Razorpay and qualified legal/tax advisers make their own determinations.
